Governor,

My name is Sherri Thomas-Bilodeau and I live in Fremont, California. I =
am outraged at the death of Raynard Johnson. Despite the cautious =
writing style of the Post reporter, yes, his death was due to a lynching. =
I am outraged that social unrest due to active racism is still so =
rampant in Mississippi.=20

Make no mistake about this particular incident, it HAS to be handled =
properly and with your assistance. This will open a can of worms that =
will stir for years. I was born in Oakland, California 32 years ago and =
this has sounded an alarm.=20

Unless you want to have many outraged Californians (as well as many =
citizens from other states that are currently viewing how they will deal =
with this) at your doorstep, my suggestion is that this situation be =
handled in a just and prompt fashion.=20

I have never left my home to protest in another state, not even to =
venture to Jasper, Texas. This, I assure you, will be the first time and =
it will probably not be a peaceful situation if we have to come there.=20

Please handle this situation in a fair and just manner.=20

Please do your best to not let a miscarriage of justice occur for this =
child.=20

Thank you.
